

Making New Money

*a new ancient model
of personal and global
economic growth*

2007

World Population

6,585,666,000

Global Gross Domestic Product

US\$ 65 trillion

Annual growth

per capita GDP

1950-2003

5.1%

Things don't work

འགག་པ་མེད་པ་སྐྱེ་མེད་པ།

ཆད་པ་མེད་པ་རྟག་མེད་པ།

འོང་བ་མེད་པ་འགོ་མེད་པ།

ཐ་དད་དོན་མིན་དོན་གཅིག་མིན།

nothing stops nothing starts
nothing ends nothing stays
nothing comes nothing goes
there is no one
there are no many

—Wisdom, 200ad

དམྱལ་བ་ཡི་དྲགས་དུད་འགྲོ་དང་།
མི་རྣམས་དང་ནི་ལྷ་དྲག་དག

You can see the world
As a being from hell
As a starving spirit
As an animal
As a human
As a god.

此兩者。同出而異名。同謂之玄。玄之又玄。衆妙之門。
故常無欲。以觀其妙。常有欲。以觀其徼。
道可道。非常道。名可名。非常名。無名天地之始。有名萬物之母。

...Names

Are indeed
"Names,"

And names
Are beyond
Any normal thing.

Without names,
The difference
Between Heaven & Earth
Is born.

With names,
Then all the things there are
Come into being...

Lao Tzu
Dao De Jing
500bc

འདུ་བྱེད་གྱི་

ལས་པ་

གྱིས་འཁོར་བའི་རྒྱ་གསོག་པ།

The seeds of the world
Are planted
By the things we do.
